

Advent

See the candles brightly glowing on the Advent wreath.

Wiggle fingers; make circle.

Soon the Savior will be born, born for you and me.

Rock baby in arms; point to others and self.

Light the candles, sing a song, wait and watch and pray.

Hold hands like book, pretending to sing; fold hands in prayer.

Soon the Savior will be born, born on Christmas Day.

Rock baby in arms; clap and smile.

Advent Counting

One, two, three, four—

Hold up fingers as you count.

It's hard to wait one week more.

Cross arms and tap toe.

Four, three, two, one—

Hold up four fingers, and put them down, one at a time.

Advent's waiting for God's Son.

Rock baby in arms.

Advent Waiting

In Advent we wait; in Advent we hope,

Tap toe; look up.

For the Savior God promised to send.

Open hands like Bible.

In Advent we wait; in Advent we hope,

Tap toe; look up.

For the King who is coming again.

Make crown on head with hands.

COUNTING

Count the candles on the Advent wreath. Make a paper chain to count the days until Christmas.
