

10 Tech-Free Date Night Ideas

Spice up your relationship with tech-free dates.

Let's face it: We all love technology, but sometimes it doesn't hurt to drag yourself away from the constant Netflix marathons or the need to always be on your phone. It's time for you to spice up your date nights by getting out from behind the screen and spend real quality time with your partner!

Whether you're a new couple or you've been together for years, actually spending time together and continuing to "date" one another is so important to your relationship!

Get excited about date nights with your special someone and make memories that you both will always cherish with 10 fun ideas for a date completely free from technology!

1. Hiking:

Warm weather and sunshine is the perfect day date idea if you're looking to get outdoors, be active, and appreciate nature!

2. Get a couples massage:

Hit the refresh button on life with your partner and have a rare moment of complete relaxation together.

3. Have a picnic:

Pack your favorite lunch, blanket, and picnic basket then head to your local park for a good ol' fashioned picnic!

4. Attend a concert or festival:

Check out the local festivals in town or get tickets to see your favorite musician for a fun night out!

5. Volunteer:

Volunteering is a great way to spend quality time together while helping out your community at the same time! Find out how you can start volunteering at the Humane Society and you may even be lucky enough to find an adorable furry friend to take home with you!

6. Wine tasting:

Have a fun-filled day and head to a winery or even go on a brewery tour together!

7. Have a candlelight dinner:

Sounds a little basic, but sometimes it's a great idea for you and your partner to just relax and truly enjoy each other's company.

8. Mini golf:

This date is sure to be a hole in one! Have a friendly competition, share some laughs, and enjoy summer nights together.

9. Take a cooking class:

Trying something new is always exciting and fun, especially when food is involved at the end! Learn how to create delicious meals that you can create for special date nights at home.

10. Bowling:

Need a spontaneous date night idea? Roll the night away with strikes, music, and snacks!
